

IAEMSC Leadership Summit

October 28-31, 2011
Capital Hilton Hotel
Washington, DC

The International Association of Emergency Medical Services Chiefs (IAEMSC) invites you to join us for our annual Emergency Medical Services Chief's Leadership Summit.

Topics include:

- Political engagement and advocacy
- HSPD-8: National preparedness policy part II
- EMS networking
- Graduate education opportunities for EMS leaders
- Health care reform and EMS, the early years
- EMS Operations in austere times
- Evolving ambulance standards
- Federal EMS leadership, where are we now?
- Exhibit hall

The IAEMSC Leadership Summit is intended for middle and senior leaders in EMS organizations. The summit will include attendees from across the United States as well as International EMS representatives.

For additional conference, registration, and hotel information, please visit: www.iaemsc.org
