

# **IAEMSC Leadership Summit**

September 25-29, 2009

Capital Hilton Hotel  
Washington, DC

The International Association of Emergency Medical Services Chiefs (IAEMSC) invites you to join us for the first annual Emergency Medical Services Chief's Leadership Summit.

Topics include:

- Political engagement and advocacy
- Legal & legislative issues impacting EMS administration and systems
- EMS networking
- Human resource development
- NHTSA & DHS Office of Health Affairs briefings
- The role of EMS in H1N1 pandemic response
- EMS information sharing and fusion center integration
- Exhibit hall

The IAEMSC Leadership Summit is intended for middle and senior leaders in EMS organizations. The summit will include attendees from across the United States as well as International EMS representatives.

For additional conference, registration, and hotel information, please visit: [www.iaemsc.org](http://www.iaemsc.org)
